Medical and Illness Policy

• Bean an Ti decides whether the student should go to school or stay at home.

• Bean Ti decides whether a doctor is needed or not.

• The Bean Tí informs the principal of her decision immediately.

• If a doctor's visit is necessary, the principal and a leader or Bean an Tí takes the student to the doctor.

• If a student needs to stay at home, someone else must be in the house with Bean an Tí

• Any medicine given to the student is left with Bean an Tí.

• If there is a persistent illness and the child cannot attend college events, the parents will be asked to take the child home.

• The principal will inform the parents of the doctor's visit . (The student should be able to contact the parent by phone)

• The students should know that when they are not feeling well they should inform the Bean an Ti, teacher, leader or if/when they want to go to the doctor they should inform them . If they go to the medical center from the College, they should inform Bean an Tí

• If a doctor is needed at night, Bean an Tí calls Nowdoc and she/he informs the principal.

• In an urgent situation 999 or 112 will be called and the principal will be informed who will inform the parents.

• The student's parents are responsible for medical bills and treatment.

Special Health Needs: It is not in the interest of the student who is under personal pressure or who has major problems at home to be sent to the Gaeltacht. For the benefit of the child during our courses, parents are obliged to provide written information and care instructions to Coláiste Chara before the end of May.
